

Important June 2012 Recital Permission Form

Due Monday January 16th

Preparations are now underway for this year's recital. In order to make class casting decisions and allow ample time for costume orders to arrive, we need to know who will be participating. Those of you who have been with us before will find that most of the information here is similar to last year; however, each year there are always changes, so please read this letter in full. If this is your first recital, the amount of information surrounding the recital may seem overwhelming, but we are always here to help you! A detailed recital packet will be distributed as the recital date approaches. Please email or call us at info@spotlightdance.net or 425.241.3388 with any questions or concerns that you might have.

Bring page two of this form to the studio by Jan 16th (keep page one for your reference). If you cannot, email or call us at info@spotlightdance.net or 425.241.3388 by this date.

Spotlight Dance & Performing Arts Center strives for the highest degree of professionalism and talent in our productions. Our annual end of year recital offers our students a professionally directed performance that allows them to present to their family and friends the result of the hard work, dedication and progress they have made throughout the year. It is a chance for the dancers to shine in front of family and friends!

Participation in the end of year production is a great deal of fun, but it also requires additional time and financial commitments. Both students and parents are encouraged to consider their ability to meet these commitments before deciding to participate. Students dancing in the recital must maintain regular attendance in all classes they are performing with so that the student, and the class as a whole, can present their best work. Recital choreography will begin in February and it is very important dancers be present for the majority of classes once choreography has begun. It is mandatory to attend all scheduled studio run thrus and dress rehearsals.

We appreciate the commitment our parents and dancers make as they follow the necessary recital policies and procedures. The recital is not mandatory, but it is a very important part of our year's work. Please carefully consider your decision when making a recital commitment, and be aware of the approximate expenses involved.

Dress Rehearsal & Recital Location

The dress rehearsal and performance on June 7th & 8th will take place at 401 South 152nd Street Burien, WA 98148-1107 in the beautiful Highline Performing Arts Center. During this time, dances will be blocked for the stage, lighting and sound will be checked and last minute costumes adjustments may take place. It is VERY important that all dancers involved in the recital attend Dress Rehearsal at the theatre.

Please keep page 1 for your reference, and turn in page 2 to the studio no later than Monday Jan 16th.
