Dancers should arrive at the studio in costume with hair & make-up done. Please follow the costume guidelines (available on our homepage in April) for hair, tight and accessory instructions. Please write your dancer's name in all costume pieces, tights and shoes before picture day.

All ballet slippers need to have the drawstring tied, trimmed, and the ends tucked inside the shoe.

All buns must be secured with bobby pins AND a hairnet that matches the student's hair color.

All tap shoes with ribbon ties need to replace the ribbon with black elastic sewn in a loop so the shoes can be slipped on without tying a bow.

We strongly suggest having 2 pairs of the tights your dancer needs in case one gets a tear, snag, stain, etc. Back up tights may be purchased right here at the studio. If you plan to purchase through us don't wait til picture day as quantities on hand are limited.

The yellow studio will NOT be available to picture students 10-2:45pm due to classes being in session. The upstairs lobby, bathroom and changing room will all be available for dancers and parents.

Photography services are provided by Rick Ehrenberg, www.rickehrenberg.com. Proofs will be available immediately and all orders should be placed same day in order to avoid shipping fees and have photos delivered before the performance.
