

Mary Poppins 2017 Class Music Selections

Dear Parents/Students,

Reviewing choreography outside of class is important to presenting your best dancing on show day. Students who review dance(s) away from class will gain more self confidence and be able to enjoy the performance more. Additionally, when students practice on their own, class time can be used to fine tune and enhance choreographic details, instead of just going over material students have not retained. Please consider purchasing music for each class your child is in to support your dancer's learning. If you have any difficulty finding a song please speak with your instructor. Looking forward to a great production! ~Miss Amanda & the SDPAC Faculty
