

The Wizard of Oz 2015 Class Music Selections

Dear Parents/Students,

Reviewing your class(es)' choreography outside of class is important to presenting your best dancing at the performance. Students who review their dance(s) away from class will gain more self confidence and be able to enjoy the performance more. Additionally, when students practice on their own, class time can be used to fine tune and enhance choreographic details instead of just going over material the students have not retained. Below you will find a list of each classes' music. Please consider purchasing it to help support your dancer's learning. If you have any difficulty finding a particular song please speak with the instructor for that class. Looking forward to a great production this year!
